

The Society for Manitobans with Disabilities is proud to offer an exciting opportunity to be part of the Jordan's Principle Initiative. Jordan's Principle is a groundbreaking initiative that ensures all First Nations children have access to health and social services in their community.

Positions: 3 Full time SLP positions and one .5 SLP position

THE POSITION

The successful applicants will provide pediatric Speech Language Pathology services to First Nations children in their home communities. These services will be consultative, family-centered and provided to families, child development workers and respite workers in community settings such as child care centres, nursery programs and homes. SLPs will work on a team with Occupational Therapists, Physiotherapists and Professionals from other agencies to ensure that all children have the opportunity to reach their full potential.

The positions are based out of the world class SSCY Centre in Winnipeg with travel to Manitoba First Nations communities. You will travel with a team to communities with arrangements made on your behalf. Therapists will have some flexibility with the schedule during a typical work week.

Any hours including travel to and from communities above the 53rd parallel are paid a Northern Premium of 10% above the regular wage. Expenses are covered for all travel and overnight costs; If spending an overnight in a community with limited amenities, you will also receive a \$125 per diem.
